Coppell Greens will be continuing its
award winning tradition of:

POLICE • COMMUNITY PARTNERSHIPS

Our HOA board and community as a whole have always felt that gathering together as neighbors and getting to know each other better is very important. This helps us to be invested in our collective property and fellow homeowners, which is the best crime prevention there is! Each year, we gather together with other neighborhoods across Texas to raise community awareness and strengthen partnerships with the local law enforcement agencies.

Please come join us Tuesday, October 4th from 6:00-8:00pm at the end of the Kilbridge Court cul-de-sac. Dinner from Rosa's will be served. There will be iced tea and some water, otherwise, Residents can bring BYOB. Entire families are welcome and encouraged to come celebrate our community. There will be a variety of entertainment for children of all ages! The Coppell Police and Fire Department will be making an appearance, please be sure to welcome them to our block party and thank them for their service to our community. We look forward to seeing everyone there!

Fall is coming!

Please use this change of season to do some self-evaluation on your property. Take a look at the exterior of your home—is it finally time to paint? Is that piece of furniture in disrepair? Are the decorative pots cracked or filled with dying plants? Does the flower bed/tree border need to be improved? These are some of the many things that may seem small, but make a huge impact on our neighborhood. It shows anyone visiting Coppell Greens that we care about our properties and our neighborhood.

Coppell ISD Open & Re-enrollment

Our sixth year of open enrollment with CISD has begun! Children are attending choices of two different elementary, middle, and high schools in Coppell. The mutually beneficial arrangement has been a success, both for the district and for our students who choose to attend. The HOA Board encourages parents

to get involved and make a difference as contributing members of the district. Help demonstrate that by getting involved and being a part of your student's campus! There are many opportunities to be engaged: from Dad's Club, to room mom, to a PTO board position, or volunteering to help with various events throughout the year. Your contribution will be remembered by your child and appreciated by the school campus.

Next Board Meeting

The first part of HOA Board meetings are always open to homeowners to express their concerns or ideas. Please feel free to attend our next one on December 6th at 7:00pm at Vista Ridge UMC.
